

Dowsing Group is a diversified civil subcontractor that delivers specialised services across hardscapes, profiling, slipform, diamond grinding and grooving, and civil services that work hand-in-hand to provide a range of complementary solutions.

Dowsing Group and its Senior Leadership are committed to providing the highest levels of Workplace Health & Safety (WHS) through a safe system of work for all employees, sub-contractors and visitors to the business so that all activities that are undertaken strive to avoid harm or injury to any person.

To implement this policy, Dowsing Group commits to:

- Maintaining safety management systems that conform to recognised standards including ISO 45001:2018 as part of the Company's Integrated Management System (IMS);
- Complying with relevant WHS laws, regulations, industry codes of practice, company needs, client expectations or project requirements;
- Providing and encouraging open communication and consultation between all workers, sub-contractors and interested parties;
- Injury management aimed at early, safe and sustained return to work of injured employees;
- Establishing WHS risk management processes that are proportionate, and evidence informed, where resources and effort are determined by the nature and scale of the Dowsing Group workplace activities;
- Establishing, measuring, reporting and reviewing WHS objectives and targets to ensure continuous improvement;
- Integrating WHS into business strategy and planning around the core business activities;
- Providing appropriate WHS training, information, instruction and supervision for all employees, sub-contractors and visitors;
- Maintaining safe and healthy working conditions, providing and maintaining plant, equipment and machinery, and ensuring safe storage/use of substances;
- Empowering all personnel to identify, control, reduce or eliminate risks and hazards in the workplace;
- Ensuring adequate documentation and follow up of corrective and preventative actions from audits, inspections, incidents, safety hazards etc.; and
- Regularly reviewing WHS systems and effective monitoring of their implementation.

A safe working culture is the responsibility of everyone and we believe can be best achieved through cooperative efforts of employees, sub-contractors and visitors. This policy shall be reviewed every two years to ensure it remains relevant and current to Dowsing Group's activities.
